## PREFACE

The NSSAR Handbook, first published as a single volume in 1956, contains the official policies of the National Society of the Sons of the American Revolution. The NSSAR Handbook is revised annually as policies are changed or updated. At present, the NSSAR Handbook is divided into three volumes, titled as follows: Volume I “*Governing Documents*,” Volume II “*History, Organization and Protocol*,” and Volume III “*Insignia, Medals and Awards*.” The NSSAR Handbook could not have been realized without the assistance of the NSSAR officers, committee chairmen, many devoted compatriots and the headquarters staff.

The Handbook Committee is especially appreciative of the work performed by the Medals and Awards Committee and the various Youth Award and Program committees in preparing this volume.

The contents of this Handbook have been reviewed by the NSSAR Executive Committee and are approved as official policy of the National Society Sons of the American Revolution. Changes or updates to this volume of the NSSAR Handbook should be directed to the Chairman of the NSSAR Handbook Committee.

## **INSIGNIA, MEDALS AND AWARDS**

### **AUTHORITY**

For the purposes of this Handbook, SAR medals and insignia include medals, badges, emblems, ribbons, rosettes, sashes, pins and stars. SAR awards include all certificates, plaques, cups and flag streamers.

The awarding of medals and awards should always be given very careful and serious deliberation to determine that the proposed recipient is qualified, deserving, and the occasion for presentation is appropriate. The presentation of medals and awards should not be treated lightly by the National Society, district, state society or a chapter, and should always be given judicious thought to assure that the presentation is in keeping with NSSAR principles. It is essential that the integrity of NSSAR medals and awards be maintained.

The recipient should be made aware that the medal or award is being presented by the approving authority on behalf of the National Society of the Sons of the American Revolution.

They also should realize that they have been honored by the National Society and should wear their medals with pride and in the correct manner. Medals and awards presentations are discussed further in this volume.

### **SUBMISSION OF NOMINATIONS FOR MEDALS AND AWARDS**

#### **Awarding Medals**

The Executive Director, unless otherwise stated in the description for the award, must receive any nomination for an award of a medal for presentation at an Annual Congress, not later than 30 days prior to the date of the Annual Congress. The Executive Director will forward any nomination received to the respective Committee Chairman for committee consideration.

#### **Awarding Certificates**

Any nomination for a certificate and any supporting data to be used in making an award of a certificate for presentation at an Annual Congress, unless otherwise stated in the description for the certificate or award, must be received by the Executive Director, not later than 30 days prior to the date of the Annual Congress. The Executive Director will forward any nomination received or supporting data received to the respective Committee Chairman for committee consideration.

## **NSSAR INSIGNIA**

### **SAR BADGE**

The SAR badge is an eight-point Maltese cross in white enamel with a gold ball at each point. The center of the cross features a gold medallion whose obverse bears a profile of George

Washington surrounded by the motto, “Libertas et Patria” (Liberty and Country) on blue enamel. The reverse of the medallion has a figure of a minuteman surrounded by the legend, “Sons of the American Revolution”. The arms of the cross are supported by a laurel wreath and surmounted by a gold eagle, which is suspended from a ribbon by a golden ring.

The design of this badge was approved in December 1889 and is based on the badges of the Military Order of Saint Louis, founded by King Louis XIV in 1693 to honor faithful military service, and the Legion of Honor, founded by Napoleon in 1803 to reward civil and military service. The SAR Badge is available in both full and miniature sizes.

A national officer or a state president, incumbent or past, may have the SAR Badge jeweled by the insertion of a diamond in the space between the talons of the eagle and the upper arm of the cross.

### **SAR CHEST AND NECK RIBBON**

Members may wear the SAR Badge described above on the left breast of a jacket from a chest ribbon, while current or former General Officers, National Trustees, and State Society or Chapter Presidents may wear the SAR Badge suspended from a neck ribbon. The chest and neck ribbons are of the SAR colors, with a deep blue center flanked by buff and white stripes.

When the SAR Badge is suspended from the chest ribbon, it is worn on the left breast of the dinner jacket, business suit coat, or blazer with the top of the ribbon clasp four inches below the midpoint of the shoulder seam of the coat. Supplemental stars (see below) are the only authorized insignia to be worn on the chest ribbon.

When the SAR Badge is suspended from a neck ribbon, the only authorized insignia to be worn on the neck ribbon are supplemental stars and approved NSSAR officer emblems. In order of precedence, these are: former President General pin, the Vice President General pin, the National Trustee pin, the Past State Society President pin, and the Past Chapter President pin. No more than three NSSAR officer emblems may be worn on the neck ribbon. The emblem with the highest precedence is worn near the “V” or honor point of the neck ribbon. If the wearer is authorized to wear two emblems, the second emblem in precedence is worn on the ribbon to the wear’s right of center; the third emblem, when authorized, is worn on the wearer’s left. State insignia are not authorized for wear on the neck ribbon.

The SAR badge suspended from the neck ribbon is intended for wear with a coat and tie. It should be worn over the tie and under the turned over collar and drawn up to within one inch below the bow or four-in hand tie in business or formal attire.

If a second neck ribbon is worn, i.e. the Minuteman Award, it is worn so that the top of the second medal is one inch below the SAR Badge on the first ribbon. The neck ribbon on one society may be worn with the broad sash and/or star of another society. More than two neck ribbons (military and/or other societies) may be worn but is discouraged.

The full-sized SAR Badge should only be worn at functions of the National Society, State Society or Chapter or when representing the SAR. It may also be worn during the funeral of an SAR member or at the dedication of a grave marker for a deceased SAR member.

## **ROSETTE**

The rosette is a small tightly folded circle of ribbon of the Society's colors not exceeding 7/16<sup>th</sup> of an inch in diameter. It may be worn by all members, at their discretion, on the left lapel of the jacket, daily if desired, during business or social hours. It is only worn on a coat lapel, or tropical shirt collar, but not on an overcoat. A rosette is commonly presented to a new member at the time of his induction into the society.

Except in France, the rosette is informal and therefore is not appropriate for formal wear. A fraternal or other organization badge may be worn with the rosette, but is strongly discouraged. The rosette should never be worn when wearing the SAR Badge.

## **BROAD SASH**

The board sash is a wide silk ribbon of the society's colors worn by current and former general officers when in formal dress. It is worn extending from the right shoulder to the left hip. The sash for a current or former President General is three and one-half inches wide; for all other officers, it is two and one-half inches wide.

## **SOCIETY PRESIDENT BADGE**

The Society President badge is a one and one-half inch diameter octagon with a gold Liberty Bell surrounded by a matching chain of thirteen links, symbolic of the original colonies, centered on a black background with the inscription "Society President." It was authorized in 1997.

A society may purchase a SAR Society President badge to be worn by the incumbent society president. The badge may be worn only on the SAR neck ribbon, suspended from the center point in place of the society president's SAR badge. The Society President badge should be transferred to the new society president by the installing officer during the installation ceremony for newly elected society officers. The appointments of Aides-de-Camp are made by the President General to designate compatriots to assist him and his First Lady during trips, meetings or events.

The pin consists of a one inch gold shield styled after the Washington Family Crest topped by an emblem representing the SAR insignia.

The recipient may wear the pin on the left lapel of his coat or jacket while **ACTIVELY** serving as the Aide-de-Camp to the President General or his First Lady. Once no longer serving in this

## MEDALS AWARDED FOR SERVICE TO THE SAR

### MINUTEMAN AWARD

The Minuteman Award is the highest award presented to a member by the National Society. It is presented for active and distinguished service rendered to the SAR at the national level. Annually at the Spring Leadership Meeting, the Minuteman Committee, which is composed of members holding the award, will select no more than six award recipients for the current year and announce those selected at the meeting. The President General appoints the Minuteman Committee.

The obverse depicts a Minuteman holding a rifle with a plow in the background along with the Liberty Bell. The reverse is inscribed "*Highest Award of the National Society Sons of the American Revolution. Presented to (Name, Year).*" A certificate accompanies the medal. A miniature version is available.

The President General presents the award during the Minuteman Ceremony at each Annual Congress. ### **NATIONAL SOCIETY MEDAL OF DISTINGUISHED SERVICE**

The National Society Medal of Distinguished Service, authorized in 1998, may be presented once during the tenure of a President General to a Compatriot for conspicuous service to the National Society during his administration. It is presented at the discretion of the incumbent President General and does not require other approval. The President General may award a second medal with the approval of the Medals and Awards Committee and with the concurrence of the Executive Committee. A Compatriot may receive this medal only once from the National Society. The medal is available in miniature. The medal is diamond in shape with a blue SAR insignia surmounted on a white enamel background. The National Medal is trimmed in gold leaf. The ribbon is solid maroon.

### **STATE MEDAL OF DISTINGUISHED SERVICE**

The State Medal of Distinguished Service, authorized in 1998, is the highest Medal that can be awarded by a State Society President during each year of his term of office. It is presented to a Compatriot for distinguished service rendered to the State Society on the state level during a State Society President's term of office. The medal should be presented at the State Society annual meeting at the conclusion of the President's term of office. The State Medal of Distinguished Service is presented by the incumbent State Society President and does not require other approval.

A State President may present only one Medal of Distinguished Service during each year of his tenure as State Society President. If a Compatriot while serving as President, steps down, and is later on elected to another term, that is considered two separate terms, and the President is allowed to award a State Medal of Distinguished Service medal during his second term.

A Compatriot may receive this medal only once from a State Society. Dual and transferred members may not receive this medal from more than one Society.

The medal is diamond in shape, struck in sterling silver. It has a blue SAR insignia surmounted on a white enameled background. The State Medal of Distinguished Service is trimmed in silver leaf. The ribbon is solid maroon. The medal is available in miniature and comes with a certificate.

An application form must be completed and forwarded to the Merchandise Department of National Headquarters along with the payment for the current cost of the medal, signature of the state society president and secretary, as well as the citation of award.

## **PATRIOT MEDAL**

The Patriot Medal is awarded only by a state society. It is the highest award given for service at the state or chapter level. This medal is presented only to individuals and may be received **ONLY** once. It represents long, faithful and outstanding service at the state and/or chapter level. Service at the national level cannot be considered in making the award.

The medal is sterling silver and bears the portrait of Compatriot General of the Army Douglas MacArthur on the obverse within the inscription, "The National Society of the Sons of the American Revolution." The reverse is inscribed "Awarded to for Patriotic Service by the Society SAR, 20\_\_." The medal is suspended from a chest ribbon of royal blue color. Compatriot MacArthur selected the design for the medal just prior to his death. He received the first medal, presented posthumously at his tomb in Norfolk, Virginia, on October 19, 1964, where it is on permanent display. The Patriot Medal is available in full and miniature sizes.

The Patriot Medal may be awarded annually by any state society. State societies with fewer than 500 members may present no more than one medal each calendar year. State societies with 500 to 1000 members may present two medals each calendar year. State societies with over 1000 members may present one medal for each 500 members.

All requirements should be thoroughly reviewed before requesting this medal. The Executive Director maintains a record of all past recipients so that societies may contact him in advance to determine if a person has already received the medal and thus avoid an invalid request.

Application must be made to the Executive Director on a standard form at least thirty (30) days before the medal is to be presented. Include with the application, payment for the current cost of the medal, signature of the state society president and complete supporting evidence.

It is available in miniature and comes with a certificate, which should be engrossed and presented with the medal. It is desirable that it be presented at the annual meeting of the state society. A representative cannot accept the Patriot Medal.

## **MERITORIOUS SERVICE MEDAL**

The Meritorious Service Medal, authorized in 1980, may be awarded to SAR members who have rendered long, faithful and meritorious service to their chapter, state society, district, or to the National Society. This medal may be awarded by the National Society, a district, a state society, or a chapter and is awarded for lesser services than would merit the Patriot Medal. It may be awarded to an individual once by the National Society, a district, a state society or a chapter. The President General may make multiple awards of this medal to a compatriot without referral to any committee. The meritorious service rendered should be stated in the citation.

The medal has a silver finish and bears on the obverse a relief of Thomas Jefferson. On the reverse inside a pair of laurel branches is space to insert the recipient's name and the date of

presentation. It is available in miniature and comes with a certificate, which should be engrossed and presented with the medal.

## **LIBERTY MEDAL**

The Liberty Medal, authorized in 1987, commemorates the restoration of the Statue of Liberty, reminds us of our liberty and is presented for recruiting new members to the SAR.

The National Society awards the medal, along with a certificate. Presentation will take place at the Annual Congress; however, if a recipient is not present, it will be mailed to him. It is awarded to:

1. Anyone who has received the Florence Kendall Award at or before the Tampa Congress of 1986.
2. Any SAR member who after March 31, 1986, signed as first-line sponsor, the membership application of ten new members. For the purposes of this award, the person's name signed as the first-line sponsor should be the person who recruited the new member, and it should not be the name of an officer of a state society or a chapter, or any other person, who did no more than receive the application in the course of his official duties then append his signature as first-line sponsor, and forward the application to the National Society for processing.

For each additional ten new members, for whom a recipient of the Liberty Medal is a first-line sponsor, a bronze oak leaf cluster may be presented. A recipient of ten bronze oak leaf clusters may be presented a silver oak leaf cluster to wear in lieu of the bronze clusters. A recipient of ten silver oak leaf clusters may be presented a gold oak leaf cluster to wear in lieu of the silver clusters.

Oak leaf clusters are displayed on the ribbon of the medal. If more than one oak leaf cluster has been awarded they should be arranged, as nearly as possible, like the stars on the Betsy Ross flag, with gold or silver clusters, if any, occupying the upper and dexter places of honor (the right of the wearer).

A new member is defined as an individual who was not previously an SAR member, but whose membership application the National Society has approved.

The medal is struck in bronze and depicts a bust of the Statue of Liberty on the obverse. The reverse has a space for the name and date of the recipient to be engraved. The medal is suspended from a gold ribbon and may be worn at any SAR event.

A recipient of a Liberty Medal may purchase a miniature medal and oak leaf clusters, if they have been awarded, from National Headquarters.

The National Society presents the Lafayette Volunteer Service Award to an individual for volunteer service performed at the NSSAR Headquarters in Louisville, KY or other significant volunteer work as determined by the President General. Volunteers must meet acceptable experience criteria and will be supervised by a department head. Department heads and volunteers must ensure that the volunteer service form is completed at the end of each day that service is performed. The Executive Director will be responsible for maintaining a volunteer service file.

The medal may be presented only to an individual and only once. Oak-leaf clusters will be awarded for each additional forty (40) hours of volunteer service.

The award is not restricted to SAR members and is available to all volunteers. General Officers are not eligible to earn credit for the award during their term of office.

The award consists of a medal, which is gold in color and bears on the obverse side a relief of General Lafayette. The reverse side is inscribed "NSSAR," with a blank space below it for an engraved name. A certificate accompanies the medal. A miniature medal is available.

## **PATRIOT GRAVE MARKING MEDAL**

The Patriot Grave Marking Medal, authorized in 2012, was created to recognize both past efforts to identify and report data on Revolutionary War graves and to encourage new efforts to identify graves. The data generated by these efforts will meet educational objectives by continuing to build and improve the existing database on these patriots by listing their final resting places. It meets historical objectives by providing data to potential members and by identifying these significant places so that they may not be lost to future generations. The Patriot Grave Marking Medal shall rank between the Lafayette Volunteer Service Award and the Bronze Good Citizenship Medal in order of precedence. A National or District officer, or the respective State Society President should present the Patriot Grave Marking Medal at a suitable event befitting the nature of the medal.

The medal is suspended from a purple and black drape and is a round disk of silver color. The obverse depicts a cemetery with a picket fence, with a rifle leaning against the fence, a Betsy Ross flag, and a cloudy sky. The words "1775 Patriot" appear at the bottom. The reverse has the words "Services for Those Who Served" flanked by laurel leaves, with space for inscription. The medal is available in full size and miniature. A certificate is available for presentation. The medal may be awarded multiple times. A bronze oak leaf cluster shall be awarded for each additional fifteen (15) grave markings meeting the requirements listed above. Multiple oak leaf cluster recognition shall follow the established NSSAR requirements as outlined in the SAR Handbook.

### *Requirements for Earning the Patriot Grave Marking Medal*

1. A Patriot Grave Marking involves a ceremony as defined in the Patriot Grave Marking

Manual published by the NSSAR Patriot Index/Revolutionary War Graves Register Committee. The requirement for the placement of an SAR marker or a tablet/plaque with the SAR logo (hereinafter referred to collectively as “an SAR marker”), may be waived if the marking takes place at a National Cemetery or other cemetery where an SAR marker placement is prohibited by the owner.

2. The Patriot(s) being honored must be prominently recognized in the service and printed program with a brief biography that includes the type of service during the Revolution. The program may be used to document attendance and/or participation in the grave marking.
3. To qualify for the Patriot Grave Marking Medal, the following criteria must be met:
  - a) The Compatriot must have participated in a prominent role during the planning and execution of the grave marking. This includes, but is not limited to, researching/finding the grave, paying for or placing the SAR marker, or being the Master of Ceremonies and Speaker/Presenter. With respect to the researching or paying for the SAR marker, a compatriot does not need to be a resident of the state in which the grave is located to conduct these activities.
  - b) The Compatriot must have participated, as defined above, in at least fifteen (15) grave marking events with a look-back period to 1 March 2011. For the purposes of this requirement, if a mass grave is marked or if multiple graves are marked in a single cemetery, the Compatriot will be allowed to count a maximum of five (5) patriots towards this requirement.
  - c) Up to, but no more than, 50% of the submitted grave markings may be without the placement of an SAR marker.
  - d) The Compatriot must have submitted data on the Grave location, including but not limited to providing photographs, address, GPS location and such other data as required by the National Patriot Graves Committee, to both their State Patriot Graves Committee (if one is established) and the National Patriot Graves Committee prior to applying for the medal.

Compatriots who believe they qualify for the medal must complete the appropriate form setting forth their qualifications, and including the supporting documentation. This form is available on the SAR website, and must be signed by either the state society president or the state patriot graves committee chairman (as reported to the National Patriot Graves Committee), and be submitted to the National Patriot Graves Committee.

### **FLORENCE KENDALL AWARD**

The Florence Kendall Award is awarded annually at the SAR Congress to the top three members who were the first-line sponsor for the largest number of new members during the previous year.

The award consists of a gold medal of oval shape with the SAR Badge surmounted on a red-enameled background. This is surrounded by a gold circle of embossed laurel leaves. The ribbon is blue with a white stripe down the center and has a bar inscribed "Florence Kendall" over the mounting bar. Previous editions consisted of a member's SAR Badge bearing on the chest ribbon a bar inscribed "Florence Kendall" and was given to the member who during a year was first-line sponsor for the largest number of new members.

The award, created in 1939, was named for Florence Helen Messmore Kendall (1850-1939), mother of President General Messmore Kendall. In 1917, at the age of 66, Mrs. Kendall purchased two ambulances and traveled with them to France, giving one to the Red Cross and driving the other herself for the duration of World War I.

Gold palm leaf decorations may be worn on the drape of the medal to indicate attendance at specific centennial events. ## **MEDALS AWARDED FOR SERVICE TO THE COMMUNITY**

### **GOLD GOOD CITIZENSHIP MEDAL**

The Gold Good Citizenship Medal, authorized in 1954, is awarded for outstanding and unusual patriotic achievement and service of national importance to persons of prominence on a national level in the areas of government (including military service), religion, education, business and other professions, and other fields of endeavor.

Former Presidents General may be awarded this medal, but the request must be processed as any other. Other SAR members may receive the medal if they meet the requirements established for all applicants.

The National Society’s Medals and Awards Committee and Executive Committee must approve the Gold Good Citizenship Medal. Nominations for the award can be made by the National Society, a state society, or by a chapter (only if approved by its state society). All nominations should be submitted on the standard Gold Good Citizenship application form. The conferring authority should carefully read the form and follow the instructions relative to the type of supporting documentation needed. The application packet should be submitted to the Executive Director no later than twenty-one (21) calendar days prior to a scheduled meeting of the Medals and Awards Committee and Executive Committee (usually at the NSSAR Leadership Meetings and NSSAR Congress) to allow time for dissemination and review. If the application is not submitted by the deadline, it will be carried over until the next regularly scheduled meeting.

Payment for the medal should accompany the nomination, but this is not required. In the event that payment does not accompany the nomination, the medal will not be shipped until payment is received. Please consult the Executive Director for the current price of the Gold Good Citizenship Medal.

After review by the Medals and Awards Committee and the Executive Committee, the requesting society or chapter will be notified within two weeks as to the decision on the nomination. If approved, the medal will be mailed to the submitter: (i) immediately, if payment accompanied the nomination or (ii) upon receipt of payment. If disapproved, any payment accompanying the nomination will be returned to the submitter. A letter of explanation from the Executive Director will accompany all disapprovals.

The Gold Good Citizenship Medal may only be given to an individual once. It may only be presented posthumously if the recipient died between the time the award was approved by the Medals and Awards Committee and Executive Committee and the date it was to have been presented. The National Society maintains a record of all past recipients of the Gold Good Citizenship Medal, which should be consulted in advance to avoid an invalid request.

A maximum of two Gold Good Citizenship Medals may be presented by a state society (including chapters within its society) each year.

Since this is one of the NSSAR's highest awards, plans for presentation should be made sufficiently in advance to allow time for award approval, participation by society leadership, and arrangements for publicity. The certificate that accompanies the Gold Good Citizenship Medal should be engrossed and presented at the time of the award, preferably framed. A miniature version of the medal is also available.

## **SILVER GOOD CITIZENSHIP MEDAL**

The Silver Good Citizenship Medal, authorized in 1939, recognizes outstanding and unusual patriotic achievement and service that is of a more local degree (state or regional level) than required for the Gold Good Citizenship Medal. The medal is presented to persons of prominence in the areas of government (including military service), religion, education, business and other professions, and other fields of endeavor. Since it recognizes extensive service, a biographical sketch of the candidate should accompany the request for a medal.

In the case of a non-member, the National Society or a state society determines the qualifications. However, in the case of an SAR member, in order to have uniform criteria, the requirement has been established that the member shall have served in six leadership capacities in any of the following local organizations: Church, School, Scouting, Fraternal, Business Associations, Government, Patriotic, Military, Veterans, Conservation, Hereditary, Genealogical, Historical or organized Sports (Little League, etc.).

The Silver Good Citizenship Medal should not be used to recognize service to the SAR, which is recognized by the Meritorious Service Medal, State Medal of Distinguished Service, or Patriot Medal.

The Silver Good Citizenship Medal may be approved and presented by the National Society or a state society. A chapter, with the approval of its state society may present it. It may only be presented once to an individual. The medal is of sterling silver. A certificate suitable for engrossing is available. A miniature medal is also available.

Initially, points will be retroactive for members with duly documented points for previous veteran service.

Bronze oak leaf clusters will be awarded for multiples of 3,000 points after the first award. After 5 bronze oak leaf clusters have been awarded, a silver oak leaf cluster will be presented to replace 5 previous bronze clusters.

The medal is bronze, with a design on the obverse side of the medal showing one hand reaching down offering assistance to the second hand. Across the top are the words "Service to Veterans," and across the bottom are the words "National Society Sons of the American Revolution." The reverse face of the medal has the inscription "Awarded for Voluntary Service" with the

awardee's name and date. The medal is suspended from a blue, white and red (from left to right) vertically draped ribbon. A certificate will accompany each medal and cluster.

### **GENERAL WILLIAM C. WESTMORELAND AWARD**

This award, authorized in 1996, is presented to the SAR member who has the most outstanding record of service as a VA Volunteer donating time to veterans in the VA hospital. This award is a certificate signed by the PG and a special gold version of the Service to Veterans Medal. It is presented to only one person per year selected by the Veterans committee. A Compatriot may receive this medal only once in a lifetime. Nominations for this award may be submitted by a state society or chapter utilizing the entry on the form that is available from the SAR website. The deadline is January 1.

### **ROBERT E. BURT BOY SCOUT VOLUNTEER AWARD MEDAL**

The Robert E. Burt Boy Scout Volunteer Award, authorized in 2006, is presented to members of the SAR in good standing who are currently active in a scout unit, district, or council or member who have displayed outstanding dedication to the Scouting Program. Work accomplishment and dedication rather than a specific number of years in Scouting, will be the criteria for this award. The Robert E. Burt Boy Scout Volunteer Award acknowledges the service of the recipient to Scouting and is awarded by the National Society Sons of the American Revolution upon nomination by a state society. The BSA has agreed to recognize the Robert E. Burt Boy Scout Volunteer Award by including it among similar awards that are recognized by its Community Organization Award.

The medal is suspended from a red, white, and blue drape like the BSA Eagle Scout medal. The medal is bronze in color and has a BSA fleur-de-lis on the obverse surrounded by the words "Boy Scout Volunteer - N.S.S.A.R." The reverse has area suitable for engraving. A certificate and the BSA COA square knot, for wear on the Scout field uniform, accompany the medal. The medal is available in miniature for formal wear. The medal is administered and presented by the NSSAR National Eagle Scout Committee on behalf of the National Society Sons of the American Revolution. The award is limited to two (2) per state per year. Nomination and application forms are available upon request from the NSSAR.

### **CHILDREN OF THE AMERICAN REVOLUTION – SONS OF THE AMERICAN REVOLUTION MEDALS OF APPRECIATION**

The Bronze, Silver, and Gold C.A.R.-SAR Medals of Appreciation, authorized in 1999, bear a relief of the C.A.R. National Emblem on the obverse and are circumscribed with the legend "SAR C.A.R. Medal of Appreciation." Each version of the medal is suspended from a chest ribbon of the SAR colors. Each medal is accompanied by a certificate, which should be engrossed and presented with the medal. A miniature medal is available for each version for those who have received the large medal.

The National Society, a State Society or a local Chapter, may present the Bronze C.A.R.-SAR Medal of Appreciation to a member of the C.A.R. or SAR in good standing in recognition of and in appreciation for outstanding services rendered to a local C.A.R. Society. The award may recognize assistance in promoting C.A.R. members that qualify to obtain SAR memberships, C.A.R. members who participate in the State Society Annual Meetings or at the National Congress, C.A.R. members who have otherwise significantly aided SAR programs, or SAR members and C.A.R. Senior Leaders who have supported or served a state or local C.A.R. Society.

The National Society or a State Society may present the Silver C.A.R.-SAR Medal of Appreciation to a member of the C.A.R. or SAR in good standing in recognition of and in appreciation for outstanding services rendered to a State C.A.R. Society. The award may also recognize outstanding C.A.R. Senior leaders of a State Society or SAR members who have significantly supported or served a State C.A.R. Society.

Only the National Society may present the Gold C.A.R.-SAR Medal of Appreciation to a member of the C.A.R. or SAR in good standing in recognition of and in appreciation for outstanding services rendered to the National Society C.A.R. The award may also recognize outstanding National C.A.R. leaders or SAR members who have contributed at a National level to the N.S.C.A.R. The Gold C.A.R.-SAR Medal of Appreciation requires the approval of the Executive Committee upon the recommendation of the NSSAR C.A.R. Committee.

These appreciation medals shall be awarded for documented services rendered and not by tradition or as an entitlement of office.

### **OUTSTANDING CITIZENSHIP AWARD LAPEL PIN**

The Outstanding Citizenship Award Lapel Pin, authorized in 1992, is a portrait of a Minuteman with the Sons of the American Revolution encircling the upper half and Outstanding Citizenship Award encircling the lower half. A chapter, state society or the National Society may present the lapel pin to deserving students in recognition of high ideals of character and citizenship. The Outstanding Citizenship Certificate may also be given in conjunction with the lapel pin.

### **CODE FOR WEARING MEDALS, DECORATIONS, BADGES AND INSIGNIA**

The prestige and influence of the National Society of the Sons of the American Revolution depend largely upon the loyalty of its members. It is important that every member should use the emblems and insignia of the Society on all suitable occasions. It is hoped that all members possess the Society insignia. It is recommended that on all public patriotic occasions the officers and members of our Society shall urge that proper recognition be given representatives of the National Society of the Sons of the American Revolution.

In order that members of the Society may bring credit to the organization by the proper use of the insignia, this code has been prepared. It is also realized that usage varies from one patriotic society to another and from one country to another.

The following rules apply to the wearing of all NSSAR medals and insignia. While every member is responsible to wear correctly medals and insignia, it is also the responsibility of all National Society, state society and chapter officers to assure that their members wear all medals and insignia correctly.

The NSSAR insignia and decorations worn vary with the type of dress. The term formal dress includes both the tail coat and white tie in the evening and the cutaway with ascot or four-in-hand for day wear; as well as the black (tuxedo) or white dinner jacket, black tie and cummerbund. They are hereafter referred to as either "white tie" or "black tie".

Informal dress includes the business suit, the blazer jacket, and the sport coat. Insignia are not worn on the overcoat. The rosette, the tie, and/or the blazer patch may be worn with the solid color blazer and odd trousers. The rosette and tie may be worn with the business suit or sports coat. The blazer patch is only worn on a blazer.

On informal occasions when business suits or blazers are worn, Society officers may wish to wear neck ribbons to indicate past or present office. Other decorations should be avoided on such informal occasions, although SAR custom has been to wear full size medals with business suits and blazers at SAR meetings.

At SAR formal occasions, such as annual meetings, Leadership Meetings, balls, etc., the invitation and/or program will specify the dress, i.e., "black tie", "white tie", or "black tie or white tie". In the latter case, when either is acceptable, officers especially are encouraged to wear white tie dress. In addition, the invitation may specify, "with decorations", or, "with miniature medals", and members may wear the insignia, including the broad sash and miniature medals. The rosette is not worn with formal dress. Custom suggests that a white dinner jacket may be worn between Memorial Day and Labor Day (in most parts of the U.S.).

## **SAR BADGE AND FULL SIZE MEDALS**

Other full size medals may be worn with it, either pinned separately or mounted on a bar so that the medals are three and one-eighths inches in length and the bottoms are in a horizontal line. National officers and trustees and state and chapter presidents, incumbent and former, may wear the badge suspended from a neck ribbon. Full size medals suspended from a chest ribbon are not worn at the same time miniature medals are worn. Full size medals may be worn with formal dress, but miniature medals are strongly encouraged. Full size medals can also be worn on a bar and overlapped no more than fifty percent, as covered under miniature medals.

## **MINIATURE MEDALS**

The miniature medal is formal and is worn on the left breast of the coat four inches below the midpoint of the shoulder seam. A small number of miniatures may be pinned side by side but, as the number increases, they should be attached to a bar for neatness and convenience and mounted so the miniature is two and one-quarter inches in length and the bottoms of the ribbons are in a horizontal line. The usual bar is that used by the armed forces in the standard lengths of one and three-eighths inches, two and three-quarter inches, four and one-eighth inches, furnished with clutch fasteners. The miniatures should be mounted by gluing and sewing and must cover the bar completely.

When the number more than fills the holding bar, the ribbons may be overlapped not more than fifty percent and not more than eleven miniatures on the large bar. More than one row may be worn, although in some societies the rule is a single bar. The upper row should overlap the lower, and the rows must be spaced to allow a small amount of ribbon of the lower row to show. The upper row should not contain more medals than any lower row. Display of more than three rows is strongly discouraged.

Miniature medals were originally to be worn with formal dress. Their use on informal dress is allowable but not encouraged.

## **ADDITIONAL AWARDS OF THE SAME MEDAL (OAK LEAF CLUSTERS)**

A member may be awarded several National Society medals more than once: Meritorious Service Medal, War Service Medal, Medal for Heroism, Bronze Good Citizenship Medal, Liberty Medal C.A.R.-SAR Medals of Appreciation, Samuel Adams Congress Planning Medal, Service to Veterans Medal, and the Florence Kendall Award.

Each medal previously listed has its own criteria. Please refer to the specific medal in the Handbook for the number of oak leaf clusters and/or multiple awards permitted. Also, any multiple awards of state society medals should use the oak leaf cluster system.

The color of the oak leaf cluster and the number of clusters indicates the number of times the wearer has received the medal. A bronze oak leaf cluster is worn for each additional medal up to five. If more than five medals are presented, a silver oak leaf cluster should be worn in lieu of each five bronze oak leaf clusters, and a gold oak leaf cluster in lieu of two silver oak leaf clusters. Oak leaf clusters are available in one size only, and may be worn on either full size or miniature medals.

The oak leaf clusters are worn in the middle of the ribbon, horizontally, with the large part of the leaf slightly elevated and pointing to the wearer's left or "sinister" side.

Each additional medal must have been presented based on the same criteria as the first presentation; but each additional presentation must reward separate and distinct acts.

In the event that a member has received additional medals of the same kind, he should make use of the oak leaf cluster system. He should not wear two or more medals of the same kind at the same time.

## **PRECEDENCE OF MEDALS**

The position of honor is on the wearer's right and on the top. The general rule of precedence is: United States decorations of honor and valor, United States campaign decorations, foreign decorations (in the order in which they were received), state decorations, state campaign decorations, state organizational and long service decorations; then decorations of military, hereditary and patriotic societies (in the order of founding). Miniatures should not be worn without their ribbons as the ribbon forms an integral part of the society's insignia

### **DETAIL OF MEDAL PRECEDENCE**

## ORDERING AND PRESENTING MEDALS AND AWARDS

1. All awards and medals are presented in the name of the National Society, SAR; the presentation should be made publicly with appropriate ceremony befitting the dignity and honor of the occasion.
2. Medals and awards should be presented in person to the recipient, except under such extenuating circumstances as illness of the recipient, in which case a representative may accept it. Certain medals require special arrangements at NSSAR level for posthumous or

representational acceptance. These cases are outlined under the individual medal descriptions. A medal or award should not be mailed to a recipient.

3. No medal or award should be ordered or presented by a member without approval of his chapter or state society with the exception of the War Service Medal, Military Service Medal, SAR Charter Centennial Medal, gold palm leaves or oak leaf clusters.
4. It is recommended that each state society centralize the purchasing of medals and awards through its secretary or treasurer.
5. When a medal is presented more than once, it is at the discretion of the presenter whether the medal should be presented or just the oak leaf cluster. In either event, the certificate should accompany the presentation.
6. Miniature medals and oak leaf clusters may be purchased and presented with full size medals at the discretion of the presenter.
7. All medals and insignia are available from SAR Headquarters. Current prices are published on the SAR Merchandise section of the NSSAR website. Full payment is required at the time of ordering.
8. The cost of medals and awards, as well as the cost of engraving or engrossing, must be borne by the organization (national, state or chapter) making the presentation.

## **CARE OF INSIGNIA AND MEDALS**

Members should be aware that the bylaws of a corporation form the rules of a corporation. Under the bylaws, members agree that the SAR Badge "will be worn or used in accordance with the regulations of the Society." They further agree, on behalf of themselves, their heirs, executors, administrators, and any and all persons asserting any claims through them, to give the SAR a right of first purchase of their SAR Badge or other regalia. Members should therefore be aware that by becoming SAR members they have given the SAR legal authority to prevent improper transfers of SAR insignia.

Members are requested to guard against insignia being available in resale shops, antique shops, and so forth. Every effort should be made to redeem them to the Society.

## **REQUESTS FOR NEW INSIGNIA, MEDALS AND AWARDS**

All new medals, awards and insignia require approval of the Medals and Awards Committee and the Executive Committee. Requests must be submitted over the state society's president's signature or of the national committee chairman's signature and sent to the Executive Director. A form is available to submit proposals for new medals and awards. The same form should be used to propose changes to existing awards. This is available from the Executive Director.

A request for a new medal, award, certificate or insignia must indicate how the funding necessary to implement the request will be provided. There are no national funds available for funding new medals, awards, insignia, certificates, or a monetary award given with an award or certificate.

The requestor will provide source of funding for any costs to maintain and issue an award, medal, certificate, or insignia. A design depicting the proposed award will accompany the request.

All requests must be sent at least thirty days prior to a Leadership Meeting. The Executive Director will forward the request to the appropriate committee chairman for the committee's consideration and approval. Requests should have a committee's approval prior to submission to the Medals and Awards committee for consideration. After approval of all concerned, it should be noted that implementation normally takes eight to twelve months. Correspondence other than that covered above should be sent directly to the Chairman, Medals and Awards Committee.

Funding for any currently authorized medal, award, certificate or insignia is subject to review by the Medals and Awards committee for possible deletion unless the requestor or its representative provides adequate funding.

Committees may make changes to the criteria for medals and awards within their purview. Changes must be submitted to (1) the Handbook Committee for review and editing and (2) the Executive Committee for approval of the substantive changes. The Executive Committee may refer any changes to the Medals & Awards Committee for review and comment or submit significant changes to the Trustees for decision. Upon approval, the revisions will be included in the Handbook.

## **SAR STATE SOCIETY MEDALS AND EMBLEMS**

### **MEDALS**

State societies are authorized to issue their own medals for service within their societies and many have done so. To avoid confusion as well as inappropriate designs, the following guidelines are provided:

All SAR members, state societies and chapters are, as a matter of law, bound to observe the requirements relative to medals and awards laid down by the Charter and Bylaws of the National Society.

State society medals be:

1. Be suspended from a chest ribbon (never a neck ribbon);
2. Be conferred pursuant to written, precise criteria such as that prescribed for National Society medals, i.e., who may confer it, and for what services it may be conferred;
3. Use the system of oak leaf clusters prescribed for National Society Medals in those cases when a state society medal is presented more than once to the same individual;
4. Be produced in accordance with the NSSAR Medal and Insignia Specification Standard—

Large Medals:

|                 |  |
|-----------------|--|
| Diameter:       | 1 1/4 inches (32 millimeters)                            |
| (Ladies Medals) | 1 1/8 inches (28 millimeters)                            |
| Thickness:      | 3/32 - 2/32 inches (4 millimeters)                       |
| Drape:          | Length of material before fold: 3 7/8 inches (97 mm)     |
|                 | Length of drape front (after fold): 1 3/8 inches (35 mm) |
|                 | Width of material: 1 7/16 inches (37 mm)                 |

Miniature Medals:

| Thickness: | 1/16 inches (2 millimeters)                              |
| Drape:     | Length of material before fold: 3 7/8 inches (97 mm)     |
|            | Length of drape front (after fold): 1 3/8 inches (35 mm) |
|            | Width of material: 11/16 inches (17 mm)                  |

When worn with the National Society medals, state society medals should follow National Society medals in order of precedence. In the event that an individual enjoys the right to wear the medal for more than one state society, such medals should be worn in the order of the date of creation of the conferring state society.

To guard against infringement of rights and to ensure proper decorum, any proposed SAR state society medal and criteria for presentation should be brought before the National Society's Medals and Awards Committee before final adoption by the state society.

### **EMBLEMS, BADGES AND PINS**

Former State Society President Pins and other state emblems and badges are not to be worn on the neck ribbon or chest ribbon in lieu of, or in addition to, the National Society's emblems, badges, stars, etc.

All state badges, emblems, pins, etc., must follow the above-described requirements pertaining to design, reason for presentation, etc.

# **YOUTH CONTESTS, COMMUNITY AWARDS, OTHER AWARDS, STREAMER AWARDS AND CONTESTS FOR MEMBERSHIP AND NON-MEMBERSHIP ACTIVITIES**

## **YOUTH AWARDS**

### **ROTC/JROTC MEDAL**

The United States Army, the United States Navy, the United States Marine Corps, and the United States Air Force approved the SAR ROTC Medal. Each service has notified its ROTC Units of this approval and has authorized presentation to its cadets or midshipmen.

The National Society, a state society or a chapter, may present this award to students enrolled in ROTC programs. The medal endeavors to foster the principle of "citizen-soldier" exemplified by the Minutemen.

Recipients are selected for a high degree of merit with respect to leadership qualities, military bearing and general excellence. The recipients are selected by the Commanding Officer of the ROTC unit, who should be given full latitude in making the selection.

One medal will normally be awarded each year in ROTC units with fewer than 500 cadets or midshipmen. For larger units, one medal may be presented for each 500 students enrolled in the unit. Moreover, where a school has more than one ROTC unit, each unit is counted separately. It is desirable to have the medal on display with its ribbon bar in a trophy case at each school where it is presented. This will serve as an incentive to the students and publicize the SAR ROTC program as well.

The medal is struck on a circular planchet and on the obverse is depicted a Minuteman holding a rifle, with a plow and the Liberty Bell in the background, and is inscribed, with the letters, "ROTC." The reverse is inscribed "Awarded for Leadership, Soldierly Bearing and Excellence to \_\_\_\_\_." It is suspended from a ribbon of the SAR colors. A ribbon bar in the SAR colors is included and a certificate is available.

The Silver ROTC Medal is presented only to students in a university ROTC unit. No recipient may receive it more than once. Miniature is not available. The medal was authorized in 1933.

The Bronze ROTC Medal was authorized in 1965 and is presented only to students in secondary school JROTC units. No recipient may receive it more than once. No miniature medal is available.

Effective June 15, 1998 the US Navy Sea Cadet Corps (NSCC) is no longer eligible to receive the SAR JROTC (Bronze) Medal. The NSCC is an outstanding program and should be supported by recognizing the Outstanding NSCC Cadet with the Bronze Good Citizenship Medal. This medal is authorized for presentation to the US Navy Sea Cadet Corps, to an Outstanding Cadet nominated by his/her Commanding Officer. The award is in recognition of the Cadet's

Leadership, Military Bearing, and Excellence of Character, Scholarship, and Citizenship. A ribbon bar for the Bronze Good Citizenship Medal is available from Merchandise specifically for use for the Sea Cadets.

## **ENHANCED JROTC PROGRAM**

In 1997, the President General of the SAR authorized the enhancement of the JROTC program. Each SAR Chapter can now select an Outstanding JROTC Cadet and enter that cadet into their State Society's Outstanding JROTC Cadet program. The winner of the State competition will be entered into the National Outstanding JROTC Recognition program. The winner of the national program will receive a special award at the SAR National Congress. The second place winner will receive a \$500 cash award.

The National SAR award is to be presented to the Outstanding Cadet in their next to last year of JROTC (a Third Year Cadet [11th grade] in a four year program). For a two year JROTC program, a Second Year Cadet may be selected. Whenever possible, presentation will be made by a member of the SAR at the unit's Spring Awards program.

The enhanced JROTC program has several objectives:

1. To identify and recognize Outstanding JROTC Cadets at the Chapter, State Society, and National Society levels. The program has been designed to allow all candidates to be evaluated equally, regardless of the Military Service they represent.
2. To encourage SAR members to make a personal presentation of the JROTC medal to Outstanding JROTC student in the nation
3. To encourage SAR chapters to work with JROTC units to determine how best to encourage and recognize these outstanding student citizens and therefore support this exceptional national youth program.

At the beginning of the school year each Chapter should contact the Senior or District Instructor of the local JROTC unit(s). Throughout the year the chapter should remain in contact with the administrators of the school and the JROTC unit, providing support for other programs and discussing plans for this program. The chapter should have the school administration, along with the instructors of the JROTC unit, evaluate candidates based on the criteria listed below and select one nominee for each JROTC unit (battalion, squadron, etc.). If the chapter supports several JROTC units, it should run a local contest to select the best cadet, since only one cadet per chapter may advance to the state competition. The chapter contest must have only SAR members as judges, and all contests should be administered using the guidelines listed below.

All State Society Contests must be completed and the National Contest entry packet must be forwarded to the NSSAR Executive Director to be in his office No Later than May 1 each year. As soon as the Outstanding Cadet in the Nation is selected the Chapter sponsoring that cadet will be contacted so that it can coordinate the Cadet's travel to the NSSAR Annual Congress.

The winning cadet will attend the NSSAR Congress, receive his/her award, and be recognized by the National Society Sons of the American Revolution. The award will be the National JROTC Medallion and a check for \$1000. When attending the Congress, an additional amount of \$1000 will be provided to the Cadet to pay for the combined travel, taxi fare, hotel and related meals for both the Cadet and his/her chaperone. Expenses in excess of the amount provided by the SAR will be the responsibility of the Cadet. It is suggested that additional assistance might be made available from the sponsoring Chapter or Society – but it is not mandatory. The travel expenses related to the respective State Convention will be at the discretion of the said State Societies.

For further details see the JROTC/ROTC Web Page, accessed from the NSSAR Web page.

### **EAGLE SCOUT MEDAL**

The chapter of the state society awards the Eagle Scout Medal, established in 1981, annually to the Eagle Scout who is the winner of the local Eagle Scout Scholarship Competition.

The medal is in bronze, with a design identical to the Bronze Good Citizenship Medal, with the exception that the words "Eagle Scout" are inscribed at the bottom of the obverse side. It is not available in miniature.

### **THE EAGLE SCOUT RECOGNITION PROGRAM**

The National Society's Eagle Scout Committee is responsible for the administration of a unique Eagle Scout Recognition and Scholarship Program. Young men who achieve the rank of Eagle Scout demonstrate their belief in the same principles of Patriotism and American Heritage as the National Society, and are deserving of special recognition for their accomplishments and dedication.

An official NSSAR Certificate of Recognition is available for chapters to use in recognizing Eagle Scouts. These Scouts are given an opportunity to receive awards for participation in the Scholarship Program, at the chapter, state and national level. The winner and runner-up of the national contest are awarded scholarships at the NSSAR Annual Congress. Full particulars are furnished annually to state society presidents as to requirements and procedures to be used in participating in the recognition program.

The costs of materials and awards for this program are underwritten by the proceeds from an Eagle Scout Fund maintained by NSSAR. Contributions to this fund by compatriots, friends, and corporations are encouraged, so that the program can be constantly improved. Many compatriots contribute to this fund for memorials and recognition of honor to their friends and relatives, since the funds are being kept in perpetuity, and can benefit young men of future years.

Questions regarding the National Eagle Scout Recognition and Awards Program may be directed to the chairman of the NSSAR Eagle Scout Committee.

## **JOSEPH S. RUMBAUGH HISTORICAL PATRIOTIC ORATION CONTEST**

Compatriot Douglas G. High of Cincinnati, Ohio established this event in a Cincinnati Senior High School in 1945. The following year it became a state project of the Ohio Society. In 1947 the National Society decided to sponsor the event on a national level, calling the project the Historical Patriotic Oration Contest and having the first national event in 1949. Compatriot High was the original national chairman serving five terms until his death in June of 1952. The 1953 National Congress memorialized Compatriot High by naming the event for him.

In 1993 the oration contest became known as the Joseph S. Rumbaugh Historical Patriotic Oration Contest. Compatriot Joseph Simeon Rumbaugh (1911-1998), former President of the Florida Society, was well known for his interest in youth and was very generous in behalf of their welfare. In appreciation of his interest in the NSSAR oratorical event, the contest was renamed for him.

Chapters, through their state oration contest chairmen, may obtain annually the latest guidance pertaining to the oration contest. This detailed guidance is formulated and published by the national committee. However some general guidelines may be helpful.

Contestants in the national event are sponsored by their state societies, except in districts where no state society individually acts as a sponsor. Then a district entry is permitted. Each state society or district where authorized, shall make available information through the chapters to senior high history and/or speech teachers, and also to principals early in the school year. If there are more than ten entries on the national level, elimination contests are held at that level.

On the national level, monetary awards are given to the top three winners. All orators are recognized with certificates. Olympic size medals suspended on neck ribbons are awarded to the top three national winners. Similar medals are available for state or chapter first-place winners. These may be purchased from the NSSAR merchandise department.

The national committee for the oration contest determines the rules and policy of the oration contest with the approval of the Executive Committee. The committee meets three times a year: Fall and Spring Leadership Meetings and a working breakfast meeting during the National Congress.

The national chairman has several specific responsibilities. One is obtain approval for the contest to be listed in the National Association of Secondary School Principals (NASSP) list of National Contests and Activities. This is essential to obtain the cooperation of the schools in promoting the contest. Second, the chairman should contact state presidents or district vice presidents general where appropriate to obtain the name, address and telephone number of their appointed contest chairmen. In addition, early in the school year, the national chairman should provide state or district chairmen with detailed brochures and instructions pertaining to the contest. Throughout the year the chairman has the responsibility to forward to the state or district, student inquiries which are received directly by the National Headquarters of the SAR. A national committeeman will respond to the student acknowledging the inquiry and passing along the appropriate name and address of the local contest chairman. Finally, the national chairman has overall responsibility to coordinate all aspects of the national contest.

State or district chairmen should maintain close contact with the national chairman. In addition, they should secure from chapter presidents the names and pertinent information regarding chapter contest chairmen. It is particularly important that a constant flow of information from the national level reaches the chapters and that chapter queries are promptly answered. The state or district chairmen are responsible also to coordinate all aspects of their state or district contests.

Finally, chapter chairman make the contacts with the appropriate school authorities within their areas. This authority may vary from area to area to include the principal, history or speech teacher. This contact is important to explain the purpose, and to distribute detailed printed data. He should feel free to contact his state or district chairman for specific guidance if in doubt of procedures and proceed to plan for the chapter contest. If the chapter chairman cannot reach his state or district chairman, the national chairman is always available.

An endowment fund was created to underwrite the financial needs of the oration contest. The appropriate financial committee of the NSSAR handles the investment of the fund. The oration committee uses the income from the endowment for its operation and promotion. Contributions to this fund are tax deductible.

The award is divided into four categories based on membership size: 10 to 49, 50 to 99, 100 to 199 and 200 or more members.

The Americanism Committee judges the contest at the Spring Leadership meeting and the award is presented at the following Annual Congress. An Americanism Streamer will be presented to the winner of each membership category. The streamer is made of cloth, carries the National Society's colors with lettering in gold to state "Allene Wilson Groves Americanism Award" and the years involved. It is approximately 1 1/2" wide and 3' in length, with a grommet in the end so that the award may be affixed to the top of the society's or chapter's flagstaff. A certificate signed by the President General accompanies the streamer.

The deadline for submission is March 1. Participating state societies and chapters report accumulated points to the Americanism Committee Chairman in accordance with the contest guidelines set forth by the Americanism Committee and published as part of the Americanism Award / President General's Streamer Combined Score Sheet. This Score Sheet may be downloaded from the Americanism Committee Web Page on the NSSAR Web Site. The Score Sheet must be submitted in its entirety to qualify as a valid entry for this competition.

## **PRESIDENT GENERAL'S CUP**

Former President General Edgar Williamson, Jr. originated the President General's Cup in February 1956. It was essentially a scrapbook contest but the rules were changed in 2008 to omit the scrapbook entry since the documentation collected on the Score Sheets used for the Americanism and President General's Streamer contests document the activities of the Chapter in a manner similar to and, in some cases, in a more complete manner than a traditional scrapbook. It is the opinion of the Americanism Committee that the President General's Cup remains a type of scrapbook contest without the requirement of a physical book being produced.

This award is presented to the Chapter (or State Society having no chapters) that conducted the best overall programs and activities during the previous calendar year (January 1 to December 1) that created, supported or promoted a better understanding in its own community of such SAR resolutions and of the fundamental American traditions that governed their formulation and adoption.

The deadline for submission is March 1. Participating state societies and chapters report accumulated points to the Americanism Committee Chairman in accordance with the contest guidelines set forth by the Americanism Committee and published as part of the Americanism

Award / President General's Streamer Combined Score Sheet. This Score Sheet may be downloaded from the Americanism Committee Web Page on the NSSAR Web Site. The Score Sheet must be submitted in its entirety to qualify as a valid entry for this competition. No separate entry form is necessary as the already submitted President General's Chapter Activities Competition Award and the Allene Wilson Groves and Liberty Bell Americanism Awards score sheets will be used.

The award is divided into two based on membership size: 10 to 80 and 81 or more members.

The Americanism Committee judges the contest at the Spring Leadership meeting and the award is presented at the following Annual Congress. To qualify for consideration for this award, the entrant must have reported points in at least 75% of the categories listed on the Score Sheet. The winner will be determined through a formula that includes consideration of a cap of points allowed in any single activity as well as a points-per-member ratio based on membership of the chapter at December 31. The chapter with the highest points per member based on this calculation will be the winner. The same chapter may not win two years in a row.

### **GENEALOGIST GENERAL'S AWARD**

The purpose of this award is to incentivize state societies to submit to the National Society only such membership applications that comply with SAR genealogy standards, and are fully documented by primary sources. Such applications may be reviewed and approved by the Genealogy Staff quickly.

This award is presented to the three state societies with the lowest percentages of pended applications for the year. These three state societies shall each be awarded a streamer.

The Genealogist General's award is based on the number of applications still pended at the end of a calendar year, as a percentage of the total number of applications submitted from a state society during the same calendar year. For example, given Calendar Year X and the total number of applications submitted from a state society during Calendar Year X, what percentage of these applications are pended by the Genealogy Staff, and remain pended after the Genealogy Staff completes its review of all applications received during Calendar Year X?

Applications received within the year that are pended, but are subsequently approved within the same calendar year, shall not be included in the calculation of pended applications as a percentage of the total applications received within that year. But once the Staff's review of all applications received through December is complete, the opportunity to correct pended applications shall have passed with regard to the calculation of pended applications as a percentage of the total applications received within that year. This means that applications that are received early in the year and are pended stand a better chance to be corrected and approved by the end of the year, than applications that are received in the latter part of the year and are pended. With regard to this award, for those applications that are received in the latter part of the year and pended, there may not be an opportunity to correct them and have them approved before the Staff finishes its review of all applications received through December.

The total number of applications shall include applications for new members, new junior members, memorial applications, supplemental applications and junior supplemental applications.

The calculation of the percentage of pended applications for the year shall be to two places to the right of the decimal point (e.g., 2.59, not 2.593).

In the event of a tie, that state society with the greater number of applications received during the calendar year shall be the winner.

Only those state societies shall be eligible to compete that submit a total number of applications equal to, or greater than, the greater of 25 or 7% of the respective state society's membership as of December 31 of the preceding year, as reported on the state society's annual report.

The Genealogist General shall be the final arbiter of the winners.

## REVISIONS TO THE SAR HANDBOOK

The SAR Handbook is revised annually – typically after the Annual Congress – to reflect recent content changes in each respective Volume. The Executive Committee reviews and approves these changes at the Fall Leadership Meeting and authorizes the publication of the revised NSSAR Handbook. The NSSAR Handbook is available electronically (<http://www.sar.org>) and through NSSAR Merchandise.

Changes to the SAR Constitution and Bylaws must be processed according the amendment provisions contained within those documents. Changes to existing SAR Medals or Awards are generally processed and approved by the responsible Program Committee; New SAR Medals or Awards must be processed through the Medals and Awards Committee’s procedures. Changes to administrative procedures (dates, forms, etc.) must be submitted to the Handbook Committee from the Chairman of the responsible SAR Committee.

The SAR Handbook Committee welcomes all other suggestions from the membership as we look for ways to continuously improve the SAR Handbook.
