## Next Chapter Meeting on February 18, 2006

Each of us joined the Silicon Valley Chapter of the Sons of the American revolution (SVSAR) in order to recognize our fellow citizens, patriots and youth for their accomplishments, community service, and support for the SVSAR. It is by these acts that we affirm by example our faith in the Declaration of Independence, the Constitution, the Bill of Rights, an independent Supreme Court, and a nation of free citizens. ## 1776, A Musical

*The seminal event in American History blazes to vivid life in this most unconventional of Broadway hits. It's the summer of 1776 and the nation is ready to declare independence, if only our founding fathers can agree to do it! 1776 follows John Adams of Massachusetts, Benjamin Franklin of Pennsylvania, and Richard Henry Lee and Thomas Jefferson of Virginia as they attempt to convince the members of the second Continental Congress to vote for independence from the shackles of the British monarchy by signing the Declaration of Independence. 1776 puts a human face on the pages of history as we see the men behind the national icons: proud, frightened, uncertain, irritable, charming, often petty and ultimately noble figures determined to do the right thing for a fledgling nation.*
